

2024 Missouri Oral Health Grant Program

Delta Dental

Question Group

Please read the grant guidelines below.*

Grant applications will be considered if they meet the following criteria:

- Support projects/programs related to improving oral health in Missouri (if you are submitting a proposal for South Carolina, please use the South Carolina submission process).
- Request for funds is greater than \$5,000.
- Request for funds does not exceed \$100,000.
- Requested by a registered 501(c)(3) charitable organization.
- Serve populations that are underserved or at-risk.

As a rule, this grant type is not awarded for the following:

- Projects that do not serve Missouri.
- Lobbying, religious, or political purposes
- Organizations that discriminate on the basis of gender, race, color, religion, age, disability, gender expression, marital status, sexual orientation, or military status.
- Brick and mortar projects.
- Organizational budget deficits.
- Marketing costs.

Charitable organizations may apply for funding once per year; this includes any requests made that have been declined or approved.

Choices

Check this box if you have read and understand the grant guidelines.

Provide a brief organization description and history.*

What is your organization's mission statement?*

In what year was your organization established as a 501(c)(3)?*

If you are not a 501(c)(3) please provide the type of organization.
